

Army Family Action Plan Issue Solicitation Form

ISSUE: (What is the issue/problem?)

Example: Temporary Lodging Expense (TLE) is too low.

SCOPE: (Why is this an issue/problem?)

Example: Authorized days for TLE do not allow enough time for Soldier's relocation process. The 10 day limitation is inadequate to familiarize with the local area, evaluate schools, and secure adequate housing. This time limitation causes hurried decisions and financial hardships for Army families.

RECOMMENDATION: (Possible solutions?)

Example: Increase authorized days of TLE entitlements. Authorize Commanders to extend TLE up to 30 days.
